

Paramount ME Versa-Plate, Version B

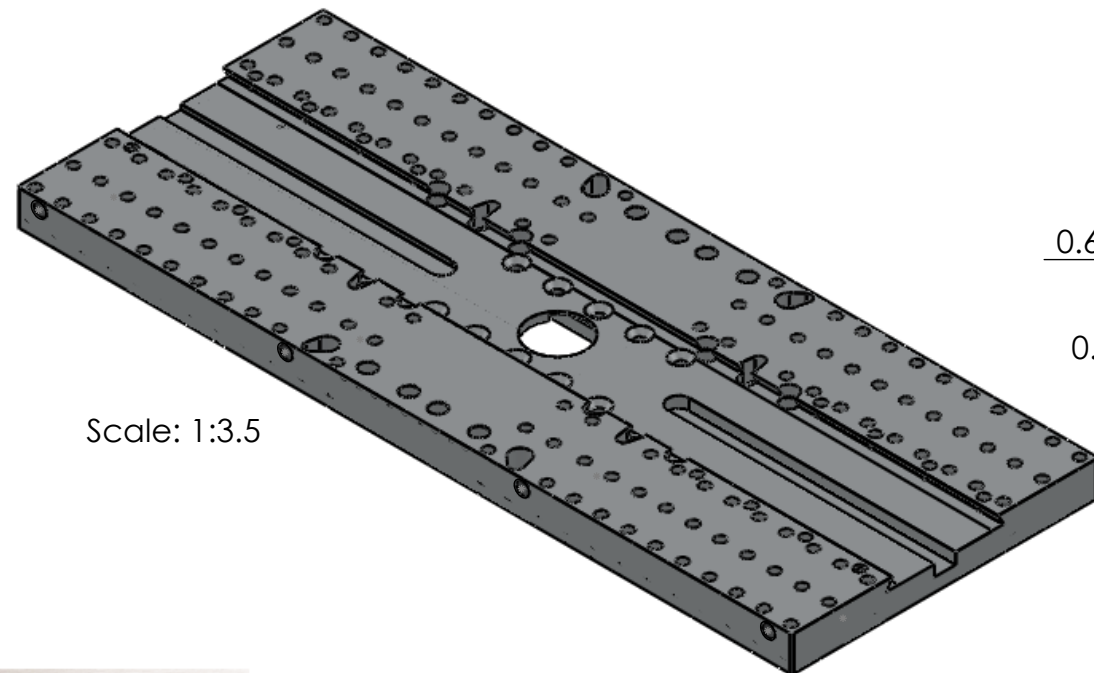

Notes:

1. All mounting holes are counterbored from bottom of plate for 1/4" SHCS
2. 3" and 7.5" circular mounting holes attach to the ME Dec Gear using 8 1/4-20 SHCS and 4 10-32 flathead screws
3. Used on Paramounts shipped after November, 2010
4. All mounting holes same dimensions as Version A
5. Lightening holes have changed and Version B Versaplate is approx 20oz heavier.

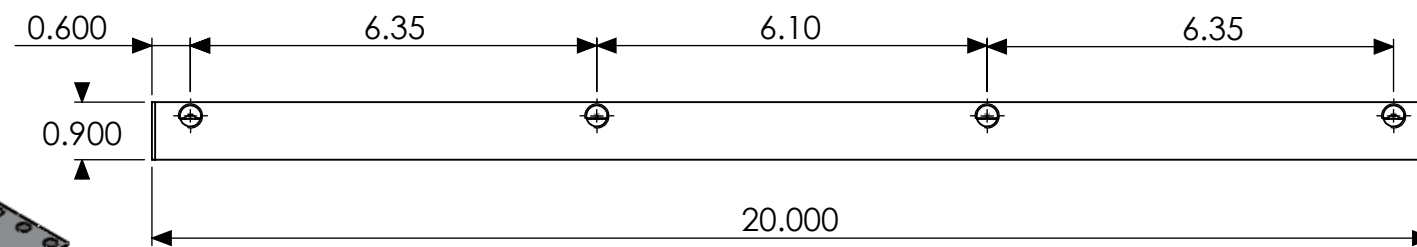

Rev B:

1. Added beginning dimension of 0.250 on top view

Scale: 1:3.5
